## Parent/Guardian Agreement

This section must be filled out and signed by the parent or guardian of the student.

Please read the following and indicate your agreement by placing a checkmark in the left box of each statement and provide signature at the bottom.

I have read the True North Student Handbook completely. (available at tnca.ca)

I agree to allow my child/children to be taught according to True North's Statement of Faith.

I agree to support the School's codes of behaviour, standards of conduct and standards of dress as per the Handbook.

I agree to involve myself in the academic success of my child by monitoring homework and communicating with the teaching staff.

I agree to submit all required payments or to make an arrangement with the Principal regarding payment.

I understand that True North relies heavily on volunteers to keep tuition as low as possible, and I agree to commit to the areas that I can fill in.

I agree to recognize that children can, at times, take issue with actions and decision-making of the School staff, and can criticize out of context; I agree to support the school personnel, and call in to the school office for full details at any time I have a question concerning an incident.

I understand that my child is expected to take part in school activities, including sports and sponsored field trips away from the school facility, and I absolve the School from liability to me or my child because of any injury to my child at supervised school activities.

In the event of an emergency, I give my permission to have my child taken to a hospital or doctor if neither parent is available at the time of the accident.

I grant True North the irrevocable and unrestricted right to use photos and videos of my children in connection with activities exclusive to the school's promotional material as well as in the school's web site, newsletter, and any other school related publications and electronic media. These images may appear in many formats, including (but not limited to) print, video formats and electronic/online media.
